Subject: Milestone Recognition
15 Year Anniversary

It is with great joy to be writing you today to extend our heartiest congratulations on the 15 year anniversary of the founding of the New England Chapter. Being an organization that thrives on the success of its members and Chapters, we are thrilled to recognize your success.

The AHMP Board appreciates the 15 year contribution made by the New England Chapter. The New England Chapter has been one of our "star" chapters, with great member participation and notable contributions to the local professional circle as well as the AHMP. Your chapter has been an integral part of the AHMP family of chapters, and has made AHMP stronger by its affiliation.

Please accept the enclosed Certificate of Appreciation as a representation of our congratulations and a symbol of our esteem. Please know that together we can continue to promote our profession, support our members in their professional development, and bring credit to the CHMM credential together.

So again, congratulations and best wishes to the New England Chapter! We look forward to many more years of affiliation with your fine group.

On behalf of the AHMP Board of Directors

Harry S. Kemp, CHMM
President

Global leadership for a sustainable future™

Certificate of Appreciation

Presented To

New England Chapter

For 15 years of Outstanding and Dedicated Service to
the CHMM Program

Harry S Kemp, AHMP President
