RSVP: Please respond no later than Friday Jan. 26th, 2006 to Zehra Schneider Graham at zehra@umb.edu if you plan on attending. Please make sure you include your name, company, and a phone or email address by which to contact you in the event of changes.

Cancellations received after Jan. 26th, or NO SHOWS to the meeting will be charged the full amount due to the cost of the catered meal.

NEXT NEACHMM MEETING (2007 MEETING #2)

March, 2007

Watch your email or check www.neachmm.com for updated info

SPEAKER BIO:

Jonathan Klane, M.S.Ed., CIH, CHMM, CET is the owner and founder of *Klane's Education Information Training Hub*SM (*KEITH*SM). He has over 19 years of experience in occupational and environmental health & safety (O&EHS) providing training and education and other consulting services to business, industry, government, and higher education. He formerly taught full-time in a college level OHS degree program for three years, and is still an adjunct college faculty member and frequent guest speaker on many other subjects.

Mr. Klane has trained thousands of persons in a wide variety of subjects including motivational talks, customer service, wellness/health ed., adult learning, and train-the-trainer courses. Related presentations include:

- ✓ **2007 ASSE PDC in Orlando, FL** – “Games for Trainers!” (scheduled)
- ✓ **2007 AIHce in Philadelphia, PA** – PDC 408: “If I’m Teaching, Why Aren’t They Learning? How to Provide World Class Training That Works!” (1-day course) (scheduled)
- ✓ **2007 AIHce in Philadelphia, PA** – PDC 130: “Wellness and Health Education for the Workforce – Making the Connection between Industrial Hygiene and Worker Health!” (1-day course) (scheduled)
- ✓ **2006 ASSE-NEA PDC in Boxborough, MA** – “Games for Trainers!”
- ✓ **2006 MEMIC’s Comp Summit** – “The Challenges of EHS (or Any) Training!”

Mr. Klane has a Masters Degree in Adult Education (M.S.Ed.) with a concentration in Training and Development from the University of Southern Maine. His degree influences how he delivers training in that he seeks to promote a learner-centered environment. As part of his Masters Degree program, he published an article titled “*Mandatory Continuing Education – How Can We Make It Better?*” which appeared in *Occupational Health & Safety Magazine* as did the more recent article “*Really Effective Training!*”. Mr. Klane is the author of the chapter on “Training Delivery” in the National Environmental Safety and Health Training Association’s (NESHTA’s) published guide for implementing the ANSI standard Z 490 on EHS training and is the author of the chapter “Controlling Workplace Chemical Exposures” in the text book *Managing Hazardous Materials* published by the Institute of Hazardous Materials Management.

He has worked to develop and deliver training on a wide variety of areas with many clients including L.L.Bean, Fairchild Semiconductor, the various Native American Tribes in Maine, Maine’s OSHA consultative service, and several universities and colleges.
